QTY	Make/Model	Size	Description	Part No.

- **Be careful what you order.** 15% Re-stocking fee applies to all returned product. Terms could mean different things from one manufacturer to another. To insure you are ordering the correct part, you should use the manufacturer's maintenance manual. These are available from the manufacturer's representative.
- If the item is not a stock item, you will be charged the shipping freight. If you cancel your order you will be charged the shipping freight as well as the restocking fee.
- Note that **"complete rubber kit"** means all the rubber parts for a backflow assembly.
- Note that **"check rubber kit"** means check rubbers and "O" rings only.
